Melissa, in fact all the charges to the project are from 39Y (see on the file named Project OLH).

Troy,

So, it looks like charges to this project were in biennium 03-05.
The attached sheet titled Project OLH has the breakdown on everything that was charged to this project.
Unfortunately, I am unable to find the staff hours but OBJ A & B are salaries & benefits totaling \$1,511.25.

And, the Global invoice was billed to 39V & 39W (per attached).

I'll still keep trying to see if I can get the labor hours billed to this project.

Thanks,

-Jini

Ms. Prasad,

Can you find the staff hours billed for this project? I don't know if it was billed to biennium 03-05 or 05-07, but the project codes are on the invoice cover sheet.

Thank you,
